## SUMMARY OF RECOMMENDATION

This recommendation would make clear which provisions of administrative rulemaking law apply when an agency is using the emergency rulemaking procedure provided in Government Code Section 11346.1. The proposed law would also make nonsubstantive technical improvements to Government Code Section 11350.

This recommendation was prepared pursuant to Resolution Chapter 92 of the Statutes of 2003.

## EMERGENCY RULEMAKING UNDER THE ADMINISTRATIVE PROCEDURE ACT

1 The Administrative Procedure Act governs the adoption, amendment, or repeal  
2 of a state agency regulation.<sup>1</sup> Under specified emergency conditions, an expedited  
3 rulemaking procedure replaces the regular procedure.<sup>2</sup>

4 Existing law provides that the adoption, amendment, or repeal of an emergency  
5 regulation is not subject to any provision of the rulemaking chapter other than  
6 Sections 11346.1 (emergency rulemaking procedure) and 11346.9 (Office of  
7 Administrative Law review of proposed emergency regulation).<sup>3</sup> That exemption  
8 is too broad. It could be read to preclude the application of a number of provisions  
9 that clearly should apply to emergency rulemaking.<sup>4</sup> The Commission  
10 recommends that Section 11346.1 be revised to correctly state the scope of the  
11 emergency rulemaking exemption.

12 The proposed law would also make minor nonsubstantive improvements to the  
13 law governing judicial review of an emergency regulation.

## PROPOSED LEGISLATION

1 **Gov't Code § 11346.1 (amended). Emergency rulemaking**

2 SECTION 1. Section 11346.1 of the Government Code is amended to read:

3 11346.1. (a) The adoption, amendment, or repeal of an emergency regulation is  
4 not subject to any provision of this chapter ~~except this section and Section article~~  
5 or Article 6 (commencing with Section 11349), except this section and Sections  
6 11349.5 and 11349.6.

7 (b) Except as provided in subdivision (c), if a state agency makes a finding that  
8 the adoption of a regulation or order of repeal is necessary for the immediate  
9 preservation of the public peace, health and safety or general welfare, the  
10 regulation or order of repeal may be adopted as an emergency regulation or order  
11 of repeal.

12 Any finding of an emergency shall include a written statement which contains  
13 the information required by paragraphs (2) to (6), inclusive, of subdivision (a) of  
14 Section 11346.5 and a description of the specific facts showing the need for  
15 immediate action. The enactment of an urgency statute shall not, in and of itself,  
16 constitute a need for immediate action.

17 The statement and the regulation or order of repeal shall be filed immediately  
18 with the office.

19 (c) Notwithstanding any other provision of law, no emergency regulation that is  
20 a building standard shall be filed, nor shall the building standard be effective,  
21 unless the building standard is submitted to the California Building Standards  
22 Commission, and is approved and filed pursuant to Sections 18937 and 18938 of  
23 the Health and Safety Code.

24 (d) The emergency regulation or order of repeal shall become effective upon  
25 filing or upon any later date specified by the state agency in a written instrument  
26 filed with, or as a part of, the regulation or order of repeal.

27 (e) No regulation, amendment, or order of repeal adopted as an emergency  
28 regulatory action shall remain in effect more than 120 days unless the adopting  
29 agency has complied with Sections 11346.2 to 11347.3, inclusive, either before  
30 adopting an emergency regulation or within the 120-day period. The adopting  
31 agency, prior to the expiration of the 120-day period, shall transmit to the office  
32 for filing with the Secretary of State the adopted regulation, amendment, or order  
33 of repeal, the rulemaking file, and a certification that Sections 11346.2 to 11347.3,  
34 inclusive, were complied with either before the emergency regulation was adopted  
35 or within the 120-day period.

36 (f) In the event an emergency amendment or order of repeal is filed and the  
37 adopting agency fails to comply with subdivision (e), the regulation as it existed  
38 prior to the emergency amendment or order of repeal shall thereupon become

1 effective and after notice to the adopting agency by the office shall be reprinted in  
2 the California Code of Regulations.

3 (g) In the event a regulation is originally adopted and filed as an emergency and  
4 the adopting agency fails to comply with subdivision (e), this failure shall  
5 constitute a repeal thereof and after notice to the adopting agency by the office,  
6 shall be deleted.

7 (h) The office shall not file an emergency regulation with the Secretary of State  
8 if the emergency regulation is the same as or substantially equivalent to an  
9 emergency regulation previously adopted by that agency, unless the director  
10 expressly approves the agency's readoption of the emergency regulation.

11 **Comment.** Subdivision (a) of Section 11346.1 is amended to make clear that the exemption of  
12 emergency rulemaking from the requirements of this chapter only applies to the procedures  
13 provided in this article and in Article 6 (commencing with Section 11349). Former subdivision (a)  
14 could be read to preclude application of a number of sections that should apply to an emergency  
15 regulation. See, e.g., Sections 11340.85(c)(10) (Internet publication of emergency regulation),  
16 11343 (filing regulation with Secretary of State), 11344.1(a)(3) (publication of emergency  
17 regulation decisions in California Regulatory Notice Register), 11350 (judicial review of  
18 emergency regulation), 11350.3 (judicial review of emergency regulation decisions).

19 **Gov't Code § 11350 (amended). Judicial review**

20 SEC. 2. Section 11350 of the Government Code is amended to read:

21 11350. (a) Any interested person may obtain a judicial declaration as to the  
22 validity of any regulation or order ~~or~~ of repeal by bringing an action for  
23 declaratory relief in the superior court in accordance with the Code of Civil  
24 Procedure. The right to judicial determination shall not be affected by the failure  
25 either to petition or to seek reconsideration of a petition filed pursuant to Section  
26 11340.7 before the agency promulgating the regulation or order of repeal. The  
27 regulation or order of repeal may be declared to be invalid for a substantial failure  
28 to comply with this chapter, or, in the case of an emergency regulation or order of  
29 repeal, upon the ground that the facts recited in the ~~statement~~ finding of emergency  
30 prepared pursuant to subdivision (b) of Section 11346.1 do not constitute an  
31 emergency within the provisions of Section 11346.1.

32 (b) In addition to any other ground that may exist, a regulation or order of repeal  
33 may be declared invalid if either of the following exists:

34 (1) The agency's determination that the regulation is reasonably necessary to  
35 effectuate the purpose of the statute, court decision, or other provision of law that  
36 is being implemented, interpreted, or made specific by the regulation is not  
37 supported by substantial evidence.

38 (2) The agency declaration pursuant to paragraph (8) of subdivision (a) of  
39 Section 11346.5 is in conflict with substantial evidence in the record.

40 (c) The approval of a regulation or order of repeal by the office or the  
41 Governor's overruling of a decision of the office disapproving a regulation or  
42 order of repeal shall not be considered by a court in any action for declaratory  
43 relief brought with respect to a regulation or order of repeal.

1 (d) In a proceeding under this section, a court may only consider the following  
2 evidence:

3 (1) The rulemaking file prepared under Section 11347.3.

4 (2) The ~~written statement~~ finding of emergency prepared pursuant to subdivision  
5 (b) of Section 11346.1.

6 (3) An item that is required to be included in the rulemaking file but is not  
7 included in the rulemaking file, for the sole purpose of proving its omission.

8 (4) Any evidence relevant to whether a regulation used by an agency is required  
9 to be adopted under this chapter.

10 **Comment.** Subdivision (a) of Section 11350 is amended to correct a typographical error.  
11 Subdivisions (a) and (d)(2) are amended to make clear that it is the entire finding of emergency  
12 that is subject to review, and not just the “written statement” that is required as part of the finding  
13 of emergency. See Section 11346.1(b). These are nonsubstantive changes.
